ORDER

Complainants have filed a complaint with the Commission in which they allege a dispute with Henry County Water District No. 2 ("Henry District") over the ownership and maintenance responsibilities of the service line that will provide water service to them. Finding that a procedural schedule should be established in this proceeding, the Commission HEREBY ORDERS that:

1. The procedural schedule set forth in the Appendix to this Order shall be followed.

2. a. All responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness who will be responsible for responding to the questions related to the information provided, with copies to all parties of record and eight copies to the Commission.

b. Each response shall be under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency,

be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

3. The parties shall consider any request for information from Commission Staff as if ordered by the Commission.

4. Service of any document or pleading in paper form shall be made in accordance with 807 KAR 5:001, Section 4(8). Service upon a party shall be considered completed upon delivery of the document or pleading to the party, upon mailing the document or pleading to the party's address of record, or by sending it by electronic means to the electronic mail address listed on party's pleadings.

5. Any party filing a document or pleading with the Commission shall serve such document or pleading upon all other parties to this proceeding.

6. Any document or pleading that a party serves upon the other parties to this proceeding shall also be filed with the Commission.

7. As the Complainants bear the burden of proof in this matter, their failure to appear at the formal hearing and to present proof in support of their Complaint may result in the dismissal of their complaint with prejudice.

8. Failure of the Defendant to appear at the formal hearing may result in entry of an Order granting the Complainant's requested relief.

9. At the hearing in this matter, each party shall limit its opening statement to no more than five minutes.

10. Motions for extensions of time with respect to the procedural schedule shall be made in writing and will be granted only upon a showing of good cause.

11. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), the record of the formal hearing in this matter shall be by videotape.

12. Commission Staff shall make a written list of all exhibits presented at the hearing and shall file this list with the Commission with all exhibits and a copy of the video transcript of the hearing.

13. The record of Case No. 96-479<sup>1</sup> is incorporated by reference into the record of this case.
