

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

EAST KENTUCKY POWER COOPERATIVE,)
INC.'S MOTION FOR AN EXTENSION OF TIME) CASE NO.
TO FILE AMENDMENTS TO SPECIAL) 2013-00046
CONTRACTS FOR INTERRUPTIBLE LOAD)

ORDER

On January 18, 2013, East Kentucky Power Cooperative, Inc. ("EKPC") filed a motion to extend the 30-day time established by the Commission's December 20, 2012 Order in Case No. 2012-00169¹ to file amendments to existing interruptible load contracts. The amendments are necessary to reflect that EKPC is authorized to bid the contract customer's interruptible load into the PJM Interconnection, LLC ("PJM") Demand Response program. In approving EKPC's application to transfer functional control of certain transmission facilities to PJM, our December 20, 2012 Order in Case No. 2012-00169 directed EKPC to file amendments to contracts or tariffs within 30 days. In support of its motion, EKPC states that it will file amended tariffs within the time granted, but that additional time is needed to finalize negotiations to execute and then file the amended contracts.

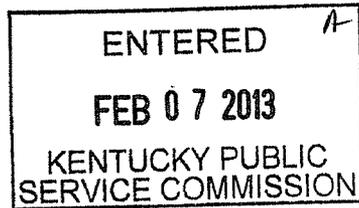

Based on the motion and finding good cause, the Commission will grant EKPC's requested extension of time.

¹ Case No. 2012-00169, *Application of East Kentucky Power Cooperative, Inc to Transfer Functional Control of Certain Transmission Facilities to PJM Interconnection, LLC* (Ky. PSC Dec. 20, 2012).

IT IS THEREFORE ORDERED that:

1. EKPC's motion for an extension of time through February 28, 2013, to file amended contracts relating to PJM Demand Response programs, is granted.
2. EKPC shall file the amended contracts with the Commission using the Commission's electronic Tariff Filing System.
