REQUEST OF BIG RIVERS ELECTRIC)	
CORPORATION FOR AN EXTENSION TO FILE)	CASE NO.
THE ANNUAL INFORMATION REQUIRED BY)	2013-00060
AN ORDER IN ADMINISTRATIVE CASE NO.)	
387)	

ORDER

On February 14, 2013, Big Rivers Electric Corporation ("Big Rivers") filed a letter requesting an extension of time, from March 1, 2013 until April 30, 2013, to file the information required annually by Appendix G to the Commission's December 20, 2001 Order in Administrative Case No. 387, as modified by the March 29, 2004 Order in that case.¹ In its letter, Big Rivers stated that an extension of time would be needed because many of its personnel were working on direct testimony and responses to data requests in its pending rate case and FAC case.

Having reviewed the letter and being otherwise sufficiently advised, the Commission finds that Big Rivers has established good cause to justify an extension of time to file its 2012 statistics on historic and projected energy and demand, reserve margins, and transmission data.

IT IS THEREFORE ORDERED that Big Rivers' request for an extension of time until April 30, 2013 to file its 2012 Appendix G statistics is granted.

¹ Administrative Case No. 387, *A Review of the Adequacy of Kentucky's Generation Capacity and Transmission System* (Ky. PSC Dec. 20, 2001), Appendix G as modified on March 29, 2004.
