| THROUGH RATES PURSUANT TO KRS 278.455) | 2013-00068 |

ORDER

On April 18, 2013, Jackson Purchase Energy Corporation (“Jackson Purchase”) tendered for filing an application to pass through the effects of any wholesale rate adjustment granted to its wholesale power supplier, Big Rivers Electric Corporation (“Big Rivers”), in Case No. 2012-00535.¹ Jackson Purchase submitted its application pursuant to the authority of KRS 278.455(2) and proposed that its new rates become effective no sooner than the effective date of the proposed rates in Case No. 2012-00535.

KRS 278.455(2) provides that the rates of a distribution cooperative shall become effective on the same date as those of its wholesale supplier. On February 1, 2013 the Commission suspended Big Rivers’ proposed rates for six months up to and including August 17, 2013. Jackson Purchase’s tariffs contain an effective date of August 17, 2013. The proper date for Jackson Purchase’s proposed rates to be effective is the effective date of Big Rivers’ proposed rates. Therefore, the Commission finds that Jackson Purchase’s proposed rates should be suspended up to and including August 17, 2013. Consequently, Jackson Purchase’s proposed rates may not become

effective until the Commission renders a decision on Big Rivers' proposed rates or until Big Rivers' rates become effective as a matter of law.

IT IS THEREFORE ORDERED that:

1. Jackson Purchase's proposed rates are suspended up to and including August 17, 2013, in order to match the suspension period of Big Rivers' proposed wholesale rate increase.

2. The procedural schedule set forth in the Appendix, which is attached hereto and incorporated herein, shall be followed.

3. a. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and 10 copies to the Commission. Any request for information by letter from the Commission Staff shall be responded to as if set forth in a Commission Order.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

4. Any party filing testimony shall file an original and 10 copies with the Commission, with copies to all parties of record.

5. Jackson Purchase shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:001, Section 9(2)(b). At the time publication is requested, Jackson Purchase shall forward a duplicate of the notice and request to the Commission.

6. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

7. Any objections or motions relating to discovery or procedural dates shall be filed upon four business days' notice or the filing party shall explain, in writing, why such notice was not possible.

8. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

9. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
