

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF BIG RIVERS ELECTRIC)	CASE NO.
CORPORATION TO REVISE AND IMPLEMENT)	2013-00099
DEMAND-SIDE MANAGEMENT PROGRAMS)	

ORDER

On February 22, 2013, Big Rivers Electric Corporation (“Big Rivers”) filed revised and new tariff sheets incorporating revisions to its existing demand-side management (“DSM”) programs and two new DSM programs. Big Rivers proposes revisions to the following existing DSM programs: (1) DSM-01, High Efficiency Lighting Replacement Program, Tariff Sheet No. 2.01; (2) DSM-02, Energy Star® Clothes Washer Replacement Incentive Program, Tariff Sheet 2.02; (3) DSM-03, Energy Star® Refrigerator Replacement Incentive Program, Tariff Sheet Nos. 2.03 and 2.04; (4) DSM-04, Residential High Efficiency Heating, Ventilation and Air Conditioning (“HVAC”) Program, Tariff Sheet Nos. 2.05 and 2.06; (5) DSM-05, Residential Weatherization Program, Tariff Sheet Nos. 2.07 and 2.08; (6) DSM-06, Touchstone Energy® New Home Program, Tariff Sheet Nos. 2.09 and 2.10; (7) DSM-07, Residential and Commercial HVAC & Refrigeration Tune-Up Program, Tariff Sheet Nos. 2.11 and 2.111 (8) DSM-08, Commercial/Industrial High Efficiency Lighting Replacement Incentive Program, Tariff Sheet Nos. 2.12 and 2.13; (9) DSM-09, Commercial/Industrial General Energy Efficiency Program, Tariff Sheet Nos. 2.14 and 2.15; and (10) DSM-10, Residential Weatherization Program – Primary Hearing Source Non-Electric, Tariff

Sheet Nos. 2.16 and 2.17. Big Rivers also proposes revisions to page one of its tariff Table of Contents.

Big Rivers proposes new tariff sheets to reflect the addition of two new DSM programs: DSM-11, Commercial High Efficiency Heating, Ventilation, and Air Conditioning Program, Original Sheet Nos. 2.18 and 2.19; and DSM-12, High Efficiency Outdoor Lighting Program, Original Tariff Sheet No. 2.20.

The tariffs contain an effective date of March 25, 2013. KRS 278.180(1) states that no change shall be made by any utility in any rate except upon 30 days' notice to the Commission. Having reviewed the tariffs, and being otherwise sufficiently advised, the Commission finds that the proposed revisions to the following tariffs are reasonable and should be approved:

1. DSM-01, High Efficiency Lighting Replacement Program , Tariff Sheet No. 2.01;
2. DSM-02, Energy Star® Clothes Washer Replacement Incentive Program, Tariff Sheet 2.02;
3. DSM-03, Energy Star® Refrigerator Replacement Incentive Program, Tariff Sheet Nos. 2.03 and 2.04;
4. DSM-04, Residential High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program, Tariff Sheet Nos. 2.05 and 2.06;
5. DSM-06, Touchstone Energy® New Home Program, Tariff Sheet Nos. 2.09 and 2.10;
6. DSM-08, Commercial/Industrial High Efficiency Lighting Replacement Incentive Program, Tariff Sheet Nos. 2.12 and 2.13; and

7. DSM-09, Commercial/Industrial General Energy Efficiency Program, Tariff Sheet Nos. 2.14 and 2.15.

The Commission further finds that an investigation is necessary to determine the reasonableness of Big Rivers' proposed changes to:

8. DSM-05, Residential Weatherization Program, Tariff Sheet Nos. 2.07 and 2.08;

9. DSM-07, Residential and Commercial HVAC & Refrigeration Tune-Up Program, Tariff Sheet Nos. 2.11 and 2.111;

10. DSM-10, Residential Weatherization Program – Primary Hearing Source Non-Electric, Tariff Sheet Nos. 2.16 and 2.17;

11. Page one of its tariff Table of Contents;

and its proposed addition of:

12. DSM-11, Commercial High Efficiency Heating, Ventilation, and Air Conditioning Program, Original Sheet Nos. 2.18 and 2.19; and

13. DSM-12, High Efficiency Outdoor Lighting Program, Original Tariff Sheet No. 2.20.

The Commission finds that such investigation cannot be completed by March 25, 2013. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed tariffs identified in findings paragraphs 8, 9, 10, 11, 12, and 13 for up to five months. The Commission will use its best efforts to expedite its review of the tariffs.

IT IS HEREBY ORDERED that:

1. The changes are approved for service rendered on and after March 25, 2013 to Big Rivers' proposed tariffs DSM-01, High Efficiency Lighting Replacement Program, Tariff Sheet No. 2.01; DSM-02, Energy Star® Clothes Washer Replacement Incentive Program, Tariff Sheet 2.02; DSM-03, Energy Star® Refrigerator Replacement Incentive Program, Tariff Sheet Nos. 2.03 and 2.04; DSM-04, Residential High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program, Tariff Sheet Nos. 2.05 and 2.06; DSM-06, Touchstone Energy® New Home Program, Tariff Sheet Nos. 2.09 and 2.10; DSM-08, Commercial/Industrial High Efficiency Lighting Replacement Incentive Program, Tariff Sheet Nos. 2.12 and 2.13; and DSM-09, Commercial/Industrial General Energy Efficiency Program, Tariff Sheet Nos. 2.14 and 2.15.

2. Within 10 days of the date of this Order, Big Rivers shall file with the Commission, using the Commissions Electronic Tariff Filing System, revised tariff sheets for the tariffs identified in ordering paragraph 1 as approved herein and reflecting that they were approved pursuant to this Order, and a revised Table of Contents reflecting the revisions approved in ordering paragraph 1.

3. Big Rivers' DSM-05, Residential Weatherization Program, Tariff Sheet Nos. 2.07 and 2.08; DSM-07, Residential and Commercial HVAC & Refrigeration Tune-Up Program, Tariff Sheet Nos. 2.11 and 2.111; DSM-10, Residential Weatherization Program – Primary Hearing Source Non-Electric, Tariff Sheet Nos. 2.16 and 2.17; Page one of its tariff Table of Contents; DSM-11, Commercial High Efficiency Heating, Ventilation, and Air Conditioning Program, Original Sheet Nos. 2.18 and 2.19; and

DSM-12, High Efficiency Outdoor Lighting Program, Original Tariff Sheet No. 2.20 are suspended for five months, up to and including August 24, 2013.

By the Commission

RE: Big Rivers Electric Corporation's Notice and Filing of Revisions to DSM Tariff Sheets

Dear Mr. Derouen:

Today, Big Rivers Electric Corporation ("Big Rivers") filed revised and new tariff sheets incorporating (i) revisions to its existing demand-side management ("DSM") programs and (ii) two new DSM programs. This tariff filing was made pursuant to 807 KAR 5:011 Section 6 using the Public Service Commission's electronic Tariff Filing System.

The revised tariff sheets include revisions to page one of the tariff Table of Contents and to tariff sheets for Big Rivers' existing DSM programs (Sheet Nos. 2.01 through 2.17). The new tariff sheets (Sheet Nos. 2.18 through 2.20) reflect the addition of the two new DSM programs, DSM-11 Commercial High Efficiency Heating, Ventilation, and Air Conditioning and DSM-12 High Efficiency Outdoor Lighting.

Along with the new and revised tariff sheets, Big Rivers electronically filed this letter and the following supporting documents:

1. a redline version of the DSM tariff sheets highlighting the revisions, and
2. a table of analytics supporting these changes.

The proposed changes primarily fall into one of two categories. The first category is non-substantive changes involving grammar and punctuation. The second category is substantive changes altering incentive amounts for some of the DSM programs. Big Rivers and its three member distribution cooperatives have found retail members expressing interest in some programs, *e.g.*, residential weatherization (DSM-05 and DSM-10), but not completing the weatherization after the initial analysis of the retail members' residences. With these changes, including changes to incentive amounts, Big Rivers and its members hope to increase the number of retail members completing the weatherization process. To increase the likelihood of increased program participation during the upcoming spring season, Big Rivers requests expedited consideration of these proposed tariff changes, and to the extent the Commission suspends the operation of these tariffs, Big Rivers asks that the suspension be for no more than one day.

Telephone (270) 926-4000
Telecopier (270) 683-6694

100 St. Ann Building
PO Box 727
Owensboro, Kentucky
42302-0727

On this date, Big Rivers provided notice of this filing to each of its three customers (its Members) by mailing them a copy of this letter, a copy of the proposed tariff sheets, and a copy of the supporting documents. Pursuant to 807 KAR 5:011 Section 8, attached to this letter is a schedule showing the present rates and proposed rates for each customer class to which the proposed rates will apply; and the amount of the change requested in both dollar amounts and percentage change for each customer classification to which the proposed rate change will apply. Note that the only customer class to which the DSM tariffs apply is Big Rivers' Rural class, and that the rates under the DSM tariff sheets are incentives and not charges. Also, because the incentives paid under the DSM tariff sheets are not dependent on usage, Big Rivers is not including the amount of the average usage and the effect upon the average bill for each customer class to which the proposed rate change will apply.

The rates contained in this notice are the rates proposed by Big Rivers but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice. A person may within thirty (30) days after the mailing of this notice of the proposed rate changes submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602 that establishes the grounds for the request including the status and interest of the party. A person may examine this filing and any other documents Big Rivers has filed with the Public Service Commission at the offices of Big Rivers located at 201 Third Street, Henderson, Kentucky 42420, and on the Big Rivers' Web site at <http://www.bigrivers.com>. This filing and related documents are available on the Public Service Commission's Web site at <http://psc.ky.gov>. Written comments regarding the proposed rate may be submitted to the Public Service Commission by mail or through the Public Service Commission's Web site.

Sincerely,

Tyson Kamuf

**DSM-01
High Efficiency Lighting Replacement Program**

Purpose: [T]
This program promotes an increased use of Compact Fluorescent Light ("CFL") lamps meeting ENERGY STAR® standards among Rural Customers by reimbursing a Member the cost of CFL lamps purchased and distributed by the Member to its eligible Rural Customers. [T]

Availability: [T]
This DSM program's rates, terms and conditions are available to a Member for its Rural Customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff and the Member's corresponding tariff. [T]

Eligibility: [T]
An eligible Rural Customer is a Member's Rural Customer in the Member's service area.

Member Incentives: [T]
Big Rivers will reimburse a Member the cost of CFL lamps purchased and distributed by the Member to its eligible Rural Customers. Big Rivers will also reimburse a Member's reasonable costs of promoting this program, if the promotional program and its costs are pre-approved by Big Rivers.

Terms & Conditions: [T]
To qualify for the incentive under this program, a Member must submit to Big Rivers a copy of a paid CFL supplier invoice, and acceptable documentation that those CFLs have been or will be distributed to eligible Rural Customers of the Member.

Evaluation, Measurement and Verification: [T]
Big Rivers will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Residential Weatherization Program**

Terms & Conditions:

1. Big Rivers will contract with a third party contractor ("Contractor") that performs weatherization projects for electric utilities.
2. The Member will promote the program, and select Rural Customer names to submit to Contractor.
3. Contractor will contact the Rural Customers from the names provided, and manage the weatherization process.
4. Big Rivers will pay the Contractor \$150 for the initial site visit.
5. Big Rivers will also pay \$3 per installed CFL bulb and \$10 per installed low-flow aerator, or low-flow shower head, as part of the initial audit. Reimbursement will be limited to the following:

CFL Bulbs	Twenty (20) per Rural Customer's residence
Low-Flow Aerator	Two (2) per Rural Customer's residence
Low-Flow Shower Head	One (1) per Rural Customer's residence

6. The Contractor will collect \$100 from the Rural Customer for the diagnostic audit, which will be reimbursed when the project is complete. If the Rural Customer does not follow-through with the weatherization process, the \$100 will be forfeited and Big Rivers will pay \$350 to the Contractor. Big Rivers will pay the Contractor \$450 for the diagnostic audit upon completion of the weatherization process.
7. Big Rivers will pay the Contractor up to \$2,500 for implemented residential weatherization measures including project management.

Evaluation, Measurement and Verification:

Big Rivers will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Commercial / Industrial High Efficiency Lighting Replacement Incentive Program

Purpose:

[T]

This program promotes the upgrading of low-efficiency commercial or industrial lighting systems by Rural Customers by paying a Member an incentive for the benefit of an eligible Rural Customer who measurably improves the energy efficiency of a commercial or industrial lighting system.

Availability:

[T]

This DSM program's rates, terms and conditions are available to a Member for its Rural Customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff and the Member's corresponding tariff. [T]

Eligibility:

[T]

An eligible Rural Customer is a Member's Rural Customer who measurably improves the energy efficiency of a commercial or industrial lighting system in a facility located in the Member's service area in accordance with this program.

Member Incentives:

[T]

Big Rivers will pay a Member, for the benefit of its eligible Rural Customer, an incentive payment of \$350 per kW of measurable improvement in energy efficiency of a commercial or industrial lighting system at the facility of a Member's eligible Rural Customer achieved by improvements to an existing commercial or industrial lighting system. Big Rivers will also reimburse a Member's reasonable costs of promoting this program, if the promotional program and its costs are pre-approved by Big Rivers.

Residential Weatherization Program-Primary Heating Source Non-Electric

Terms & Conditions:

1. Big Rivers will contract with a third party contractor ("Contractor") that performs weatherization projects for electric utilities.
2. The Member will promote the program, and select Rural Customer names to submit to Contractor.
3. Contractor will contact the Rural Customers from the names provided, and manage the weatherization process.
4. Big Rivers will pay the Contractor \$150 for the initial site visit.
5. Big Rivers will also pay \$3 per installed CFL bulb and \$10 per installed low-flow aerator, or low-flow shower head, if the water heater is electric, as part of the initial audit. Reimbursement will be limited to the following:

CFL Bulbs	Twenty (20) per Rural Customer's residence
Low-Flow Aerator	Two (2) per Rural Customer's residence
Low-Flow Shower Head	One (1) per Rural Customer's residence

6. Big Rivers will pay the Contractor \$225 upon completion of the diagnostic audit. The Rural Customer will pay \$225 to the Contractor for the diagnostic audit.
7. Big Rivers will pay the Contractor up to \$1,000 for implemented residential weatherization measures including project management.

Evaluation, Measurement and Verification:

Big Rivers will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

DSM-12

High Efficiency Outdoor Lighting Program

Deleted: Replacement

Purpose:

This program promotes the increased use of high-efficiency Light Emitting Diode ("LED") and Induction outdoor lighting by Members.

Formatted: Justified

Deleted:

Deleted: Cooperative

Availability:

This DSM program is available to Members to provide non-metered outdoor lighting to their Rural Customers.

Deleted: Cooperatives

Deleted: retail members

Eligibility:

An eligible Member purchases wholesale power from Big Rivers.

Deleted: Cooperative

Member Incentives:

Big Rivers will reimburse a Member \$70 for each high-efficiency LED or Induction outdoor lamp it purchases and installs.

Deleted: who purchased and install a

Deleted:

Terms & Conditions:

To qualify for the incentive under this program, a Member must submit to Big Rivers documentation supporting the purchase and installation of high-efficiency outdoor lighting.

Deleted:

Evaluation, Measurement and Verification:

Big Rivers will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Deleted: January 15, 2013

Deleted: February 18, 2013
