O R D E R

On June 27, 2013, South Kentucky Rural Electric Cooperative Corporation ("SKRECC") attended an informal conference at the Commission Offices to discuss and address the issues in this case. As noted in the Commission Staff memorandum filed on July 1, 2013, SKRECC agreed to subsequently provide certain information, including but not limited to, explicit information pertaining to the policies and procedures SKRECC has enacted or will enact pertaining to a vine management program; the itemized monetary costs incurred by the institution of the training programs, safety policies, vine management methods, and purchase of related equipment and material; and the material factual issues contained in the Incident Report to which it does and does not agree. SKRECC filed a response containing this information on July 17, 2013. Thereafter, Commission Staff had further discussions of the issues with legal counsel for SKRECC. These conversations, memorialized in a memorandum filed on August 20, 2013, indicate that the parties have reached an agreement in principle to enter into a stipulation of facts and settlement in an effort to resolve all issues in this case. Additionally the parties agreed to request that the hearing, which is scheduled to

commence on August 27, 2013, be cancelled to provide time for the filing of a written stipulation and settlement agreement and for it to be considered by the Commission.

The Commission, finding good cause, HEREBY ORDERS that the hearing previously scheduled to commence on August 27, 2013 is cancelled and will be rescheduled at a later date if necessary.

By the Commission
