ORDER

On July 12, 2013, Complainant, Frank McAninch ("Complainant") submitted a supplemental request for information to Taylor County Rural Electric Cooperative Corporation ("Taylor RECC"). Due to filing deficiencies, Complainant's request for information was not considered filed until the Commission issued its November 12, 2013 Order denying Taylor RECC's motion to dismiss and motions to strike. Thereafter, on December 3, 2013, Commission Staff issued its Second Request for Information to Taylor RECC.

On December 6, 2013, Taylor RECC moved the Commission for an extension of time, until January 3, 2014, in which to file its responses to Complainant's supplemental requests for information and Commission Staff's Second Request for Information. In support, Taylor RECC states that the information sought by Complainant and the Commission requires substantial and time-consuming historical research that is not readily retrievable from Taylor RECC's database. Coupled with the holiday season and

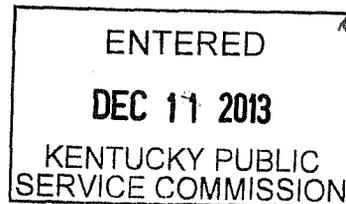

staff vacations, Taylor RECC states that an extension of time up to and including January 3, 2014, within which to file responses to both information requests is necessary.

The Commission, having considered Taylor RECC's motion, finds that good cause exists to grant the motion to permit Taylor RECC to file its responses to Complainant's supplemental request for information and Commission Staff's Second Request for Information up to and including January 3, 2014.

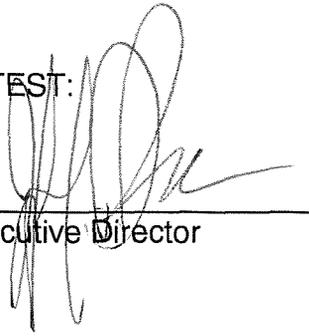

IT IS THEREFORE ORDERED that:

1. Taylor RECC's motion is granted.
2. Taylor RECC is granted an extension of time to file its responses to Complainant's supplemental request for information and Commission Staff's Second Request for Information up to and including January 3, 2014.
