

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF MEADE COUNTY RURAL)	
ELECTRIC COOPERATIVE CORPORATION)	CASE NO.
FOR PASS-THROUGH OF BIG RIVERS ELECTRIC)	2013-00231
CORPORATION WHOLESAL RATE)	
ADJUSTMENT)	

ORDER

On November 27, 2013, Meade County Rural Electric Cooperative Corporation ("Meade") tendered for filing an application to pass through any wholesale rate adjustment granted to its wholesale power supplier, Big Rivers Electric Corporation ("Big Rivers"), in Case No. 2013-00199.¹ Meade submitted its application pursuant to the authority of KRS 278.455(2) and proposed that its new rates become effective January 31, 2014.

KRS 278.455(2) provides that the rates of a distribution cooperative shall become effective on the same date as those of its wholesale supplier. On July 18, 2013, the Commission suspended Big Rivers' proposed rates in Case No. 2013-00199 for six months, up to and including January 27, 2014. Consequently, Meade's proposed rates may not become effective until the Commission renders a decision on Big Rivers' proposed rates or until Big Rivers' rates become effective as a matter of law.

¹ Case No. 2013-00199, *Application of Big Rivers Electric Corporation for a General Adjustment in Rates Supported by Fully Forecasted Test Period* (Ky. PSC filed June 28, 2013). The effective date of Big Rivers' proposed rates is January 27, 2014.

Based on a review of Meade's application, the Commission finds that an investigation will be necessary to determine the reasonableness of the proposed rates. Pursuant to KRS 278.190(2), the Commission will suspend the effective date of Meade's proposed rates until April 27, 2014, which is the end of the 10-month period under KRS 278.190(3) for the Commission to rule on Big Rivers' rate application. Big Rivers' rates have been suspended through January 27, 2014. Should Big Rivers lawfully place its proposed rates into effect on an interim basis subject to refund after the suspension period, Meade may simultaneously place its proposed rates into effect on an interim basis subject to refund pursuant to KRS 278.455(2).

A person interested in becoming a party to this proceeding shall file a motion to intervene with the Commission pursuant to 807 KAR 5:001, Section 4(11), no later than December 9, 2013. A person who submits a motion to intervene after December 9, 2013, and who, upon a showing of good cause, is granted full intervention, shall accept and abide by the existing procedural schedule.

IT IS THEREFORE ORDERED that:

1. Meade's proposed rates are hereby suspended from January 31, 2014, up to and including April 27, 2014.
2. Should Big Rivers lawfully place its proposed rates into effect on an interim basis subject to refund after the suspension period, Meade may simultaneously place its proposed rates into effect on an interim basis subject to refund pursuant to KRS 278.455(2).
3. The procedural schedule set forth in the Appendix to this Order shall be followed.

4. a. Responses to requests for information shall be filed in accordance with the electronic filing procedures set out in 807 KAR 5:001, Section 8, and shall be appropriately indexed and bookmarked, and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record in accordance with the electronic filing procedures set out in 807 KAR 5:001, Section 8, and with a paper copy to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any requests to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

5. All parties shall respond to any interrogatories and requests for production of documents that Commission Staff submits in accordance with the procedural schedule set forth in the Appendix.

6. Any party filing testimony shall file in accordance with the electronic filing procedures set out in 807 KAR 5:001, Section 8, with one paper copy to the Commission.

7. Meade shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:011, Section 8(5). At the time publication is requested, Meade shall forward a duplicate of the notice and request to the Commission.

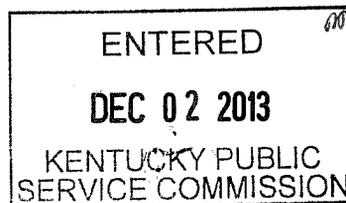

8. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

9. Any objections or motions relating to discovery or procedural dates shall be filed upon four business days' notice or the filing party shall explain, in writing, why such notice was not possible.

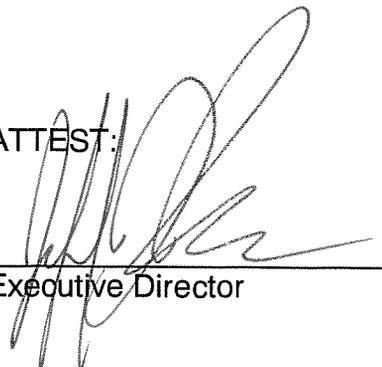

10. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

11. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
