O R D E R

In recent months it has become essential that more current financial information be readily available to the Commission and Staff for energy related utilities. At the present time, the Rural Electric Distribution Cooperatives are required to file reports of their total operations only on an annual basis. Due to the increasing need for financial and statistical data on a more current basis, the Commission is of the opinion and finds, that all Rural Electric Distribution Cooperatives subject to the jurisdiction of this Commission shall file on a monthly basis a copy of the completed "Electric Distribution Borrowers' Financial and Statistical Report" as established in the Rural Electrification Administrations' Bulletin 108-1. Said report shall be submitted to the Secretary of the Commission no more than forty-five (45) days after the close of the calendar month for which the reporting is made.

IT IS THEREFORE ORDERED, that all Rural Electric Cooperative Corporations organized under KRS Chapter 279:010 through 279:220 and subject to the jurisdiction of this Commission, shall hereby submit monthly financial and statistical reports to the Energy Regulatory Commission beginning with the month of July, 1979.

IT IS FURTHER ORDERED, that the monthly report form shall be the form established in the Rural Electrification Administration Bulletin 108-1.

IT IS FURTHER ORDERED, that the monthly report shall be filed with the Secretary of the Commission no later than forty-five (45) days after the close of the calendar month.

Done at Frankfort, Kentucky, this the 3rd day of October, 1979.
