**Re: An Investigation into the Implementation of Economic Development Rates by Electric and Gas Companies
LG&E and KU Annual Report
Administrative Case No. 327 – Case No. 19000327**

Dear Ms. Bridwell:

Pursuant to the Commission's Order of September 24, 1990 in Administrative Case No. 327 (also Case No. 19000327), Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities Company ("KU") each respectfully provide the annual reports for calendar year 2023.

For KU, there were three new EDR customers that began taking service under the Economic Development Rider during 2023 (Danimer Scientific – a new and an existing service and Bitiki-KY) as noted in Item 1. Pursuant to the Commission's Order in Case No. 2022-00371 dated 8/07/2023, the KU report has incorporated the Bitiki-KY, LLC 2023 revenues and marginal cost into the aggregated new customer values within Sections 4 and 5. The Kruger Packaging (Case No. 2022-00395) and Blue Oval-SK (Case No. 2023-00123) information has not been included within the report as these entities have not taken EDR or Special Contract Service in 2023.

Should you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael E. Hornung".

Michael E. Hornung
