Carrier Notification**SN91081679**

Date: March 23, 2000
To: Competitive Local Exchange Carriers (CLEC)
Subject: Change Control Process (CCP)

The BellSouth Electronic Change Control Process (EICCP) will be enhanced and renamed the Change Control Process (CCP). The following changes are proposed by the EICCP Steering Committee:

- BellSouth - initiated changes that affect CLECs.
- A synchronization of manual and electronic interfaces.
- Recognized software and documentation defect notification processes.
- Formalized escalation processes.
- Prescribed system outage processes.

The Interim Change Control Process documentation was posted to the Web on March 22, 2000, for your review at the following Web site:
