Re: Ice and Snow Storm

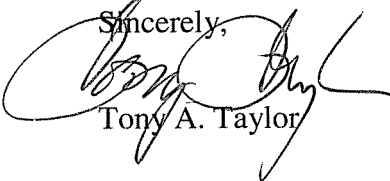

Dear Mr. Derouen:

On February 2, 2009, AT&T-KY declared a force majeure event due to the effects of the snow and ice storm pursuant to Section 4.5.2 of AT&T Kentucky's Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"). On February 24, 2009, we were able to remove some of the wirecenters from the force majeure declaration. We are pleased to report that restoral efforts in the remaining offices have progressed to the point that we can now remove all wirecenters from the declaration.

A modified spreadsheet showing the termination date of force majeure in all offices is attached.

If you have any questions or need additional information, please call Jim Tipton at 502-582-8925 or me at 502-582-2164.

Sincerely,

Tony A. Taylor
