

PROPOSED JANUARY 2011 DATA NOTIFICATION

BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky (“AT&T”) is considering making the changes described in this document to generate results for the January 2011 data month. Results for the January 2011 data month will be posted as follows:

AT&T provides Data Notifications each month in compliance with the SQM Plan. The Plan specifies that when AT&T proposes making any changes to the methods by which performance data is calculated, it must provide written notice. The notice is provided on the first business day of the month before the data month in which the change will be made. The Plan also requires AT&T to provide notification if it is considering making changes to the method of calculating data for the following month.

ENCORE Releases may affect monthly data flows from the source systems (e.g., LASR, LESOG, etc.) that PMAP uses to calculate measurements. AT&T will make changes to PMAP to ensure that data continues to be correctly captured as ENCORE Releases are implemented.
