Re: Hurricane Ike

Dear Ms. Stumbo:

Pursuant to Section 4.5.2 of AT&T Kentucky's Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Kentucky hereby declares a force majeure event in the attached NPAs/NXXs as of September 13, 2008 due to the remnants of Hurricane Ike. The measures affected due to the force majeure event include all measures associated with Provisioning, Maintenance and Repair, and Trunk Group Performance.

The remnants of Hurricane Ike adversely affected some parts of Kentucky with high winds. Governor Beshear declared a State of Emergency for Kentucky on September 14, 2008. The counties served by AT&T Kentucky that were impacted are those in the central and western parts of the state.

It will take some time for AT&T Kentucky to recover and regain normal installation and repair activities. AT&T Kentucky will provide updates on our recovery efforts and advise the Commission when the service emergency period is concluded. AT&T Kentucky views the remnants of Hurricane Ike as a force majeure event relieving AT&T Kentucky of any SEEM payment for the above-mentioned measures during the time period of the force majeure event.

If you have any questions or need additional information, please call me at 502-582-2164.

Sincerely,

Tony A. Taylor
