Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth
Telecommunications, Inc. Pursuant to the Telecommunications Act of 1996
PSC 2001-105

Dear Mr. Dorman:

Enclosed for filing in the above-captioned case is BellSouth Telecommunications, Inc.'s, Response to Motion for Additional Proceedings. BellSouth's February 14, 2002, filing with the FCC is provided as an attachment to the Response. Given its volume, the FCC filing will not be filed electronically with the Kentucky Commission.

One paper copy of the filing (consisting of an envelope and three boxes of material) and two CD-ROMs containing the filing are provided to the Commission. The February 14, 2002, filing by BellSouth contains confidential material relevant to CLEC specific activity in the states of Georgia and Louisiana. This material is not provided in the filing BellSouth makes herewith. If the Commission is interested in reviewing this material, please contact Steve Rausch or Glenda Roby.

BellSouth is serving all parties with its Response and understands they already have a copy of BellSouth's February 14 FCC filing. Should that not be the case, the entire application can be accessed at <http://bellsouthcorp.com/policy/271/>.

Sincerely,

Creighton E. Mershon, Sr.

CERTIFICATION

I hereby certify that the electronic version of this filing made with the Commission this 21st day of February 2002 is a true and accurate copy of the documents filed herewith in paper form, that the electronic version of the filing has been transmitted to the Commission and that the Commission and parties of record have been notified by electronic mail that the electronic version of this document has been transmitted to the Commission.

I also certify that a copy of the foregoing was served on the individuals on the Service List by mailing a CD-ROM containing the filing, this 21st day of February 2002.

Creighton E. Mershon, Sr.
