Re: Investigation Concerning the Propriety of InterLATA
Services by BellSouth Telecommunications, Inc.
Pursuant to the Telecommunications Act of 1996
PSC 2001-105

Dear Mr. Dorman:

This is in response to your letter of May 16, 2001, attaching a copy of the memorandum summarizing the informal conference of May 10, 2001. BellSouth would like to note one clarification to the summary. On page 2, the summary states that 18,000 to 20,000 CLEC orders per month are now being processed through SONGS "in Kentucky." The correct reference should be 18,000 to 20,000 orders per month in the old South Central Bell states, and not just Kentucky. Thank you for the opportunity to comment on the very thorough conference summary.

Sincerely,

Creighton E. Mershon, Sr.
