Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth
Telecommunications, Inc. Pursuant to the Telecommunications Act of 1996
PSC 2001-105

Dear Mr. Dorman:

Further in connection with BellSouth's August 6, 2001, filing of Responses to Data Requests of AT&T, SECCA, Sprint, and WorldCom, enclosed for filing is a Supplemental Response to SECCA Item No. 21 and a Supplemental Response to WorldCom Item No. 31. These Supplemental Responses should be filed as Attachment 3 to those respective Responses. Also filed today is a revision to BellSouth's Response to SECCA Item No. 23 and WorldCom Item No. 33.

Additionally, Attachment 1 to BellSouth's Response to SECCA Item No. 21, was filed on the CD but it was not electronically filed with the Commission. This Attachment is an 1150 page document and is the same document as that provided as Attachment 1 to the Responses to AT&T Production of Documents No. 56 and WorldCom Item 31. Along that line, enclosed is a sheet to insert behind SECCA Item No. 21 which references Attachment 1 to AT&T POD No. 56 and WorldCom 31.

BellSouth's Attachment to the Response to WorldCom Item No. 19 was provided on CD. Since this document is voluminous, a paper copy was not provided. The information was not electronically filed with the Commission on August 6; however it is electronically filed today.

The paper copy of the information filed as Attachment 1 to WorldCom Item No. 31 did not reference that the information is voluminous and a paper copy was not provided, although it was on the CD and was filed electronically. Attached is a revised Attachment 1 to WorldCom Item No. 31 to be inserted in the Commission's paper copy advising that the information is available on the CD.
