TELECOMMUNICATIONS ACT OF 1996)	

BELL SOUTH TELECOMMUNICATIONS, INC.'S
MOTION FOR EXTENSION OF TIME

On August 8, 2003, the Commission issued Data Requests to BellSouth. The Commission ordered that BellSouth's Responses to the Data Requests are due on or before September 10, 2003.

Based on BellSouth's assessment of the volume of data required to respond to the data requests, BellSouth will have to create approximately 500 pages of attachments, and much of the work must be done manually. As a result of the volume of work and the schedules of the staff required to create these documents and prepare an accompanying narrative statement, BellSouth respectfully requests an extension of time to September 26, 2003, to respond to the Commission's data requests.

Respectfully submitted,
