Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth
Telecommunications, Inc. Pursuant to the Telecommunications Act of 1996
PSC 2001-105

Dear Mr. Dorman:

As the Commission is aware, BellSouth has committed to filing a Notification Report of proposed changes to its Performance Measures Analysis Platform ("PMAP") with the Commission on a monthly basis. In conjunction with the filing of this notice, BellSouth conducts an industry-wide workshop to answer questions about the proposed changes.

At the most recent Georgia Data Notification workshop, the CLECs asked BellSouth to provide additional information in response to questions from workshop participants. BellSouth provided its responses to these questions to the call participants and filed them with the Georgia Commission. For this Commission's information, BellSouth is providing a copy of these same responses to the action items as an attachment to this letter.

As action items are identified requiring a BellSouth response in future data notification workshops, BellSouth will continue to provide this Commission such information.

One paper copy and a CD-ROM of the filing are provided to the Commission. A CD is provided to all parties of record.

Yours very truly,

Dorothy J. Chambers
