Re: Kentucky Mountain Power, LLC
Siting Board Case No. 2002-00149

By letter dated July 3, 2002 Big Rivers responded to the Kentucky State Board on Electric Generation and Transmission Siting request of June 26. Since that time, Big Rivers has further reviewed the Kentucky Mountain Power, LLC project and expects no adverse impacts to its transmission system as a direct result of that project. Big Rivers does not anticipate any system upgrade or expansion as a result of this project.
