RE: Application for a Certificate to Construct a Merchant Electric Generating Facility
(Case No. 2002-00150)

Per the Board's request for smaller file sizes, the main application has been split into several pdf files.

Accompanying this document, "TGC_Read1st_071803.pdf", is Thoroughbred Generating Company's Application for a Construction Certificate to Construct a Merchant Electric Generating Facility split into 7 separate files as listed on the file "TGC_Index_071803".

Three "classified" map files that have been reduced in size have been resubmitted as well as listed on the file "TGC_Index_071803".

The remaining 7 map files previously provided on 7/17/03 have acceptable file sizes and have not been resubmitted.
