

Maps for Thoroughbred Generating Company's Application to the Siting Board, Case No. 2002-00150

Since September 11, 2001, there have been security concerns about placing maps of utilities out on the World Wide Web for anyone to access. This includes proposed power plants. Consequently, detailed and oversize maps will be not made available on the World Wide Web, but they are still available for public inspection.

- The public may view these paper maps at the Public Service Commission at 211 Sower Boulevard, Frankfort, during regular business hours.
- Paper maps will be available for viewing at any public hearing on this case.
- The public may submit a written request for these maps to the Docket Control Branch, Kentucky Public Service Commission, P.O. Box 615, Frankfort, KY 40601. The letter must include a signature, printed name, title and organization if applicable, mailing address, phone number, and optional email address. Indicate in the letter which maps you want and the media.
 - Electronic PDF files will be sent by first class mail on a CD at no cost to the requesting party
 - Printed tabloid size (17 x 11 inches) maps are \$0.22 per sheet and \$2.64 for the complete set of twelve maps
 - Oversize maps printed on 36" paper are \$6 per sheet
 - The cost of postage and packing material is not included in the above prices, and is added to the invoice.
