ESTILL COUNTY ENERGY PARTNERS, LLC  
SITING APPLICATION  
KENTUCKY STATE BOARD ON ELECTRIC GENERATION  
AND TRANSMISSION SITING  
CASE NUMBER 2002-00172**

In accordance with KRS 278.706 (2)(c)(2) and 807 KAR 5:110E Section 9(3), notice is hereby given that Estill County Energy Partners, LLC ("ECEP") intends to file an application with the Kentucky State Board on Electric Generation and Transmission Siting located at the Public Service Commission offices, P.O. Box 615, Frankfort, Kentucky 40602. The telephone number is (502) 564-3940.

ECEP proposes to construct a 110 net MW base-load coal-fired merchant electric generating facility at the former Southeast Coal site in Estill County, Kentucky. The address is 898 Coal Wash Road, Irvine, Kentucky 40336. The electric generating facility will be located on a 28 acre site within the 505 acre property. It is proposed that the former coal processing plant will be removed and the electric generating facility will be constructed in its place. The electric generating facility will utilize waste coal reclaimed from the property.

The construction of the power plant is subject to approval of the Kentucky State Board on Electric Generation and Transmission Siting.

A person who wishes to become a party to a proceeding before the Siting Board may, by written motion filed no later than thirty (30) days after the application has been submitted, request leave to intervene. A party may, upon written motion filed no later than thirty (30) days after an application has been filed, request the Board to schedule an evidentiary hearing at the offices of the Public Service Commission, 211 Sower Boulevard, Frankfort, Kentucky 40602. A request for a local public hearing shall be made by at least three (3) interested person who reside in the county or municipal corporation in which the plant or transmission line is proposed to be located. The request shall be made in writing and shall be filed within thirty (30) days following the filing of a completed application.

Irvine, KY 40336

Dear Mr. Sizemore :

In accordance with KRS 278.706(2)(c)(1) and 807 KAR 5:110E Section 9 notice is hereby given that Estill County Energy Partners, LLC ("ECEP") intends to file an application with the Kentucky State Board on Electric Generation and Transmission Siting (the "Siting Board"), located at the Public Service Commission offices at 211 Sower Boulevard, PO Box 615, Frankfort, Kentucky 40602 and can be reached at telephone at (502) 564-3940.

ECEP proposes to construct a 110 net MW base-load coal-fired merchant electric generating facility at the former Southeast Coal site in Estill County, Kentucky. The address is 898 Coal Wash Road, Irvine, Kentucky 40336. The electric generating facility will be located on a 28 acre site within the 505 acre property. It is proposed that the former coal processing plant will be removed and the electric generating facility will be constructed in its place. The electric generating facility will utilize waste coal reclaimed from the property. The construction of the power plant is subject to approval of the Siting Board.

A person who wishes to become a party to a proceeding before the Siting Board may, by written motion filed no later than thirty (30) days after the application has been submitted, request leave to intervene. A party may, upon written motion filed no later than thirty (30) days after an application has been filed, request the Board to schedule an evidentiary hearing at the offices of the Public Service Commission, 211 Sower Boulevard, Frankfort, Kentucky 40602. A request for a local public hearing shall be made by at least three (3) interested persons who reside in the county or municipal corporation in which the plant or transmission line is proposed to be located. The request shall be made in writing and shall be filed within thirty (30) days following the filing of a completed application.

Respectfully,

  
Gerard B. Mack, Project Manager
