RE: Application of Estill County Energy Partners, LLC for a certificate to construct a coal combustion/electric generating facility- Case no. 2002-00172

Attached is a response by Estill County Energy Partners, LLC through counsel opposing motions to intervene and to schedule an evidentiary hearing of DLX, Inc. and Harry Laviers, Jr., Trustee.

The attached electronically filed documents are a true representation of the original documents that have been filed with the Commission.
