RE: Notice of Intent to File on behalf of Estill County Energy Partners, LLC

To whom it may concern:

This is a notice of intent to file an application submitted on behalf of Estill County Energy Partners, LLC pursuant to 807 KAR 5:110E, Section 2.

1. The name, address and telephone number of the person who intends to file the application are:

Estill County Energy Partners, LLC  
6000 Sulphur Well Road  
Lexington, Kentucky 40509  
(859) 263-1652

2. A brief description of the proposed construction that will be the subject of the application is follows:

The Applicant intends to build an integrated waste coal combustion and electric generating facility. The facility will include an Atmospheric Circulating Fluidized Bed ("ACFB") boiler for solid waste combustion and disposal, steam turbine generator, related controls, solid waste materials storage and handling equipment and related pollution control equipment and on-site transmission equipment. The facility will employ the latest developments in Clean Coal Combustion Technology and Catalytic Reduction pollution control techniques to manage the emission of environmental pollutants.

3. The construction will be in Estill County, Kentucky. The street address and latitude and longitude of the site of the construction to be proposed is:

898 Coal Wash Road

Irvine, KY, 40336

37 degrees/43 minutes/16 seconds latitude by 84 degrees/0 minutes/17 seconds longitude.

The construction will not be within the boundaries of a city.

4. There is no planning and zoning commission with jurisdiction over the site of the construction to be proposed.
5. There are no applicable setback requirements of a planning and zoning commission.
6. No deviation from setback requirements will be requested in the application and there is no planning commission with jurisdiction.

If any additional information is needed regarding this filing please do not hesitate to contact Lisa E. Underwood at 859-269-5487.

Very truly yours,

Lisa E. Underwood
