Re: Estill County Energy Partners, LLC ("ECEP")
Supplemental Application Fee (\$30,000)
Case No. 2002-00172

Dear Mr. Bertleson:

On July 12, 2005 the State Board on Electric Generation and Transmission Siting ("Board") "...assessed a supplemental application fee of \$30,000, which shall be remitted to the Board with its supplemental site assessment report, but no later than June 15, 2007." The date for submittal of that fee was extended to September 15, 2007 at the request of ECEP. The fee of \$30,000 is attached to this letter as payment for that order.

The supplemental site assessment report cannot be filed at this time as final resolution of the property dispute has not been concluded. When the dispute has been resolved and closed, ECEP will file a report with the Board and record the appropriate deed in the Estill County Court House.

Please feel free to contact me at your convenience should you have any questions.

Sincerely,
