Kentucky Pioneer Integrated Gasification
Combined Cycle Demonstration Project
Draft Environmental Impact Statement
U.S. Department of Energy
National Energy Technology Laboratory

This letter is to inform those
in charge of the Kentucky Pioneer
Integrated Gasification Combined
Cycle Demonstration Project in
Trapp Ky, that I am definitely
against this experiment.

I do not think that the people
who will have to live with this
experiment were or have been fully
informed of the project.

I do not want my tax dollars to
be wasted any further. So please count
me as against this project.
