Re: Inquiry Into the Use of Contract Service Arrangements by
Telecommunications Carriers in Kentucky
PSC 2002-00456

Dear Mr. Dorman:

Enclosed for filing in the above-captioned case are BellSouth Telecommunications, Inc.'s Data Requests pursuant to the Commission's January 28, 2003 Order.

BellSouth has served its Data Requests on all parties of record in this proceeding. However, BellSouth notes that some parties have requested to be released from participation in this docket. In addition, some parties on the service list have not responded to the Commission's Order, and may be intending to request to be released from participation in the docket. Of course, BellSouth does not expect responses from any parties the PSC determines should be released from participation in this proceeding. Further, BellSouth recognizes that some of the requested information is commercially sensitive. BellSouth believes that information will be of assistance to the Commission in making its determination in this proceeding. Of course, BellSouth will be happy to enter into a standard nondisclosure agreement with respect to any proprietary information that is produced.
