RE: Case No. 2003-00034

Mr. Dorman:

I am writing to request leave to intervene against Ohio County Water District's application for an increase in existing rates. Ohio County Water District's current rates are already twice as high as water rates in Owensboro, Daviess County, McClean County and Madisonville. The proposed increase would make our water rates almost 3 times the price of most water rates in the area.

Sincerely,

Jacqueline Mitchell
