

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REVIEW OF FEDERAL COMMUNICATIONS)	
COMMISSION'S TRIENNIAL REVIEW ORDER)	CASE NO.
REGARDING LOCAL CIRCUIT SWITCHING)	2003-00347
FOR DS1 ENTERPRISE CUSTOMERS)	

MOTION FOR EXTENSION OF TIME

Petitioner, SouthEast Telephone, Inc. ("SouthEast"), respectfully requests the Kentucky Public Service Commission (the "Commission") for additional time to file certain pre-filed testimony as set forth by the Commission Staff in this case. In support of its motion, SouthEast states as follows.

The Commission's Order dated October 21, 2003, required data requests responses from both the ILEC and CLEC participants of this proceeding to be filed by November 10, 2003. SouthEast complied with the Commission's Order and filed the required response to the data request on November 10, 2003. SouthEast requests additional time in filing direct testimony due to the fact that other participants to this proceeding have either filed responses along with confidentiality petitions, or have requested additional time in answering the Commission's data requests. The results are the same, SouthEast's access to essential information has been severely restricted. In order to establish either an economic or operational impairment, SouthEast must have access to the information contained within the answers filed in response to the Commission's data request. This request for additional time is not made for the purpose of delaying this proceeding.

For the forgoing reasons, SouthEast respectfully requests that its Motion for Extension of Time to and including December 5, 2003 or such date that the all parties have submitted their responses and SouthEast has had three (3) days to analyze the data and submit their pre-filed testimony.

Respectfully submitted,
