**RE: Review of Federal Communications Commission's
Triennial Review Order, Regarding Local Circuit Switching for
DS1 Enterprise Customers, Case No. 2003-00347**

Dear Mr. Dorman:

This letter will serve to clarify a number of issues that have arisen in the above-referenced case. SouthEast Telephone, Inc., filed a Motion for Extension of time on November 13, 2003, with the Commission. Unfortunately, due to a communication problem, copies were not sent out as noted in the Certificate of Service. Paper copies are being included with this correspondence to all parties of record.

SouthEast did not intend to file a second Motion for Extension of time. That Motion was uploaded to the Commission's web site as a means of keeping the on-line record complete. I have been in consistent dialogue with Mr. Hayden Conn at the Commission regarding the problems we have experienced with the upload interface. All of these problems have been remedied.

In addition to the foregoing, please take notice that SouthEast Telephone, Inc., is capable of receiving electronic transmissions related to this proceeding and of the email addresses to which transmissions should be sent. Electronic notices and messages related to this proceeding should be sent to the following email addresses: jonathon@amlung.com and liz.thacker@setel.com.

Cordially yours,

Jonathon N. Amlung
