COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

2003

In the Matter of:

REVIEW OF FEDERAL COMMUNICATIONS)
COMMISSION'S TRIENNIAL REVIEW) CASE NO. 2003-00347
ORDER REGARDING LOCAL CIRCUIT)
SWITCHING FOR DSI ENTERPRISE CUSTOMERS)

MOTION FOR FULL INTERVENTION

Pursuant to 807 KAR 5:001, Section 3(8) and the Order issued September 17, 2003, in the above-captioned proceeding, the Competitive Carriers of the South, Inc. ("CompSouth")¹ submits this petition for full intervention in the above-captioned proceeding.

CompSouth is an association of certified, competing local service providers, many of which operate in Kentucky. CompSouth, on behalf of its members, represents a special interest which is not otherwise adequately represented in the proceeding. Participation by CompSouth is likely to present issues that will assist the Commission without unduly complicating the proceedings.

At this time, CompSouth does not intend to request that the Commission petition the FCC for a waiver of the FCC's "no impairment" finding with regard to local circuit switching for enterprise customers. CompSouth does, however, reserve the right to submit evidence and make arguments in support of such a request should one be made by another party or if the Commission determines to investigate the impairment issue.

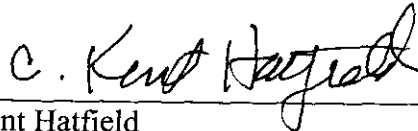

Petitioner requests that all pleadings and other documents be served upon:

¹ The members of CompSouth include: Access Integrated Networks, Inc., MCI , Birch Telecom, Business Telecom, Inc., Covad Communications Company, AT&T, NewSouth Communications Corp., Talk America, Nuvox Communications, Inc., ITC^DeltaCom, Xspedius Communications, Momentum Business Solutions, Cinergy Communications Company, Network Telephone Corp., KMC Telecom, Z-Tel Communications, Inc., and IDS Telecom LLC.
