Re: Review of the Federal Communications Commission's ("FCC")
Triennial Review Order (Case Nos. 2003-00347 and 2003-00347)

Dear Mr. Dorman,

As a follow up to verbal notification provided to Commission Staff through Amy Dougherty, Kentucky ALLTEL, Inc. ("Kentucky ALLTEL") confirms with this letter its intent to file responses and, where appropriate, objections to discovery requests served upon it in the above referenced cases by Commission Staff and other participants in the proceedings. ALLTEL Kentucky, Inc. ("ALLTEL Kentucky") also confirms its intent to file responses, and where appropriate, objections to discovery requests served upon it in Case No. 2003-00379 by Commission Staff and other participants. Due to the number of filings that were requested to be filed today, Kentucky ALLTEL and ALLTEL Kentucky are unable to meet today's requested deadline.

Kentucky ALLTEL and ALLTEL Kentucky apologize for the delay and greatly appreciate the Commission's understanding in this matter.

Sincerely,

James H. Newberry, Jr.
