Re: Review of Federal Communications Commission's Triennial Review  
Order Regarding Unbundling Requirements for Individual Network  
Elements  
PSC 2003-00379

Dear Mr. Dorman:

During the December 3, 2003 informal conference in the above-referenced proceeding, BellSouth Telecommunications, Inc. ("BellSouth") used two slide presentations, including an excel spreadsheet, and two color maps, as part of the discussion of various issues in this case. The Commission Staff requested that the presentations be submitted as electronic filings so that they may become a part of the record of the informal conference.

BellSouth's slide presentations accompany this electronic filing. A copy of the excel spreadsheet is being provided in Excel form as well as PDF format. Pursuant to the Commission Staff's recommendation, we are filing this information electronically with the Commission, and no service copies are being sent to parties of record.

Sincerely,

A handwritten signature in black ink, appearing to read "Dorothy J. Chambers".
