RE: Case No. 2003-00379 –AT&T’s Additional Data Requests to BellSouth.

Dear Mr. Dorman:

Enclosed please find an original and four copies of this letter and AT&T Communications of the South Central States, LLC’s five additional Interrogatories (Nos. 120-124) to BellSouth. Insofar as these requests involve certain customer specific material that may constitute Customer Proprietary Network Information (“CPNI”) under 47 USC § 222(c), we are also filing a motion requesting that the Commission require BellSouth to respond to these Interrogatories. A proposed Order is attached as Exhibit B to the motion.

As required by the Commission’s procedural order dated November 4, 2003, the undersigned states that the electronically filed version of this filing is a true representation of the original documents. These requests are being served on BellSouth by electronic and postal mail.

Sincerely yours,

Douglas F. Brent
