RE: Case No. 2003-00379 –Supplemental Responses to BellSouth’s Second Set of Data Requests to MCI.

Dear Mr. Dorman:

Enclosed please find an original and four copies of this letter and MCI’s supplemental responses to BellSouth’s Second Set of Data Requests to MCI. The original responses supplemented by this filing were made on December 15, 2003.

The supplemental responses include updates to exhibits deemed confidential by MCI. Thus, the supplemental response includes confidential material and is subject to our earlier motion for confidential treatment, which was filed December 15, 2003. Enclosed are one copy each of our confidential supplemental Exhibits B and C.

The supplemental responses include the following:

- 1) a revised version of Confidential Exhibits B and C, responsive to interrogatories number 12 and 1, respectively, originally filed December 15, 2003; and
- 2) supplemental responses to interrogatories number 4(e), 8 and 12.

As required by the Commission’s procedural order dated November 4, 2003, the undersigned states that the electronically filed version of this supplemental response is a true representation of the original documents. However, confidential responses are not included in this electronic filing. Our supplemental responses including confidential material are being served on BellSouth by regular mail.

Sincerely yours,
