MOMENTUM BUSINESS SOLUTION RESPONSE TO BELLSOUTH
TELECOMMUNICATIONS, INC.'S
FIRST REQUESTS FOR PRODUCTION OF DOCUMENT'S

Momentum Business Solutions ("Momentum") hereby submits its responses to BellSouth Telecommunications, Inc.'s ("BellSouth's) First Requests for Production of Documents.

RFD 1:

Produce all documents identified in response to BellSouth's First Set of Interrogatories.

OBJECTION:

Momentum objects to the extent the request seeks confidential, proprietary, or privileged documents. Momentum also incorporates by reference any and all objections that Momentum raised in response to BellSouth's First Set of Interrogatories.

RFD 2:

Produce every business case in your possession, custody or control that evaluates, discusses, analyzes or otherwise refers or relates to the offering of a qualifying service in the State of Kentucky.

OBJECTION:

Momentum objects on the grounds that the request seeks discovery of documents that are unrelated to the analysis the Kentucky Public Service Commission will conduct, irrelevant to the issues in the case, and not reasonably calculated to lead to the discovery of admissible evidence, inasmuch as the FCC ruled that the impairment analysis is not to be based on individual carriers' business models. Momentum also objects on the grounds the request seeks the disclosure of confidential and proprietary business information.

RFP 3:

Produce all documents referring or relating to the average monthly revenues you receive from end user customers in Kentucky to whom you only provide qualifying service.

OBJECTION:

Momentum objects on the grounds that the request seeks discovery of information already in BellSouth's possession. Momentum also objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for "all" documents is overbroad and unduly burdensome. Momentum objects to the use of the terms "qualifying service" and "nonqualifying service" on the grounds the terms are subject to differing interpretations.

RFP 4:

Produce all documents referring or relating to the average number of access lines you provide to end user customers in Kentucky to whom you only provide qualifying service.

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for "all" documents is overbroad and unduly burdensome. Momentum objects to the use of the terms "qualifying service" and "nonqualifying service" on the grounds the terms are subject to differing interpretations.

RFP 5:

Produce all documents referring or relating to the average monthly revenues you receive from end user customers in Kentucky to whom you only provide non-qualifying service.

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying service” and “nonqualifying service” on the grounds the terms are subject to differing interpretations.

RFP 6:

Produce all documents referring or relating to the average monthly revenues you receive from end user customers in Kentucky to whom you provide both qualifying and non-qualifying service.

OBJECTION:

Momentum objects on the grounds that it seeks discovery of information already in BellSouth’s possession. Momentum also objects on the grounds the request seeks the disclosure of confidential and proprietary information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying” and “nonqualifying service” on the grounds the terms are subject to differing interpretations.

RFP 7:

Produce all documents referring or relating to the average number of access lines you provide to end user customers in Kentucky to whom you provide both qualifying and non-qualifying service.

OBJECTION:

Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome.

RFP 8:

Provide all documents referring or relating to the classifications used by Momentum Business Solutions to offer service to end user customers Kentucky (e.g. residential customers, small business customers, mass market customers, enterprise customers, or whatever type of classification that you use to classify your customers).

OBJECTION:

Momentum objects on the grounds the request seeks confidential, proprietary, or privileged documents. Momentum also objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum incorporates by reference any and all objections that Momentum raised in response to BellSouth’s First Set of Interrogatories.

RFP 9:

Produce all documents referring or relating to the average acquisition cost for each class or type of end user customer served by Momentum Business Solutions, as requested in BellSouth’s First Set of Interrogatories, No. 34.

OBJECTION:

Momentum objects on the grounds the request seeks confidential, proprietary, or privileged documents. Momentum also objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum incorporates by reference any and all objections that Momentum raised in response to BellSouth’s First Set of Interrogatories.

RFP 10:

Produce all documents referring or relating to the typical churn for each class or type of end user customer served by Momentum Business Solutions, as requested in BellSouth’s First Set of Interrogatories, No. 35.

OBJECTION:

Response: Momentum incorporates its objection to Interrogatory No. 35.

RFP 11:

Produce all documents referring or relating to how Momentum Business Solutions determines whether to serve an individual customer's location with multiple DS0's or with a DS1 or larger transmission system.

RESPONSE:

Momentum has no documents responsive to this request, as it does not serve any customer locations with a DS1 or larger transmission system.

RFP 12:

Produce all documents referring or relating to the typical or average number of DS0's at which Momentum Business Solutions would choose to serve a particular customer with a DS1 or larger transmission system as opposed to multiple DS0, all other things being equal.

RESPONSE:

Momentum has no documents responsive to this request, as it does not serve any customer locations with a DS1 or larger transmission system.

RFP 13:

Produce all documents referring or relating to the cost of capital used by Momentum Business Solutions in evaluating whether to offer a qualifying service in a particular geographic market.

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying service” and “nonqualifying service” on the grounds the terms are subject to differing interpretations. Momentum objects to the use of the term “cost of capital” on the grounds the term is subject to differing interpretations.

RFP 14:

Produce all documents referring or relating to the time period used by Momentum Business Solutions in evaluating whether to offering a qualifying service in a particular geographic market (e.g., one year, five years, ten years, or some other time horizon over which a project is evaluated)?

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying service” and “nonqualifying service” on the grounds the terms are subject to differing interpretations. Momentum objects to the use of the term “geographic market” on the grounds the term is subject to differing interpretations.

RFP 15:

Produce all documents referring or relating to your estimates of sales expense when evaluating whether to offer a qualifying service in a particular geographic market.

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying service” and “nonqualifying service” on the grounds the terms are subject to differing interpretations. Momentum objects to the use of the term “sales expense” on the grounds the term is subject to differing interpretations.

RFP 16:

Produce all documents referring or relating to your estimate of general and administrative (G&A) expenses when evaluating whether to offer a qualifying service in a particular geographic market.

OBJECTION:

Momentum objects on the grounds the request seeks the disclosure of confidential and proprietary business information. Momentum also objects on the grounds the request for “all” documents is overbroad and unduly burdensome. Momentum objects to the use of the terms “qualifying service” and “nonqualifying service” on the grounds the terms are subject to differing interpretations. Momentum objects to the use of the term “general and administrative (G&A) expenses” on the grounds the term is subject to differing interpretations.
