Re: Request for Confidentiality  
Case No. 2003-00379

Dear Mr. Forst:

The Commission has received your letter of December 11, 2003, to protect as confidential 360networks' responses to SBC Interrogatories provided by Dick Foth.

The procedure for obtaining confidential protection for information filed with the Commission is prescribed in 807 KAR 5:001. Among other things, the regulation requires that requests for confidential protection be made by petition describing the information sought to be protected, setting forth the grounds upon which exemption from public disclosure is claimed and, where the exemption is claimed on the basis of competitive injury, identifying the competitors who would derive benefit from the information. Because your letter does not satisfy the requirements of this regulation, the Commission denies your request.

The information shall be withheld from public inspection for 20 days to allow you an opportunity to file a petition that complies with the regulation. If no petition is filed within that period, the information shall be placed in the public record.

Sincerely,

Thomas M. Dorman  
Executive Director
