Re: Response to BellSouth Telecommunications, Inc.'s Second Set of Interrogatories (1-28)
and Second Request for Production of Documents; PSC 2003-00379

Dear Mr. Dorman:

Below are the responses of CenturyTel Fiber Company II, LLC's response to the inquiries of Bellsouth in the above matter. Due to an addressing error we just received these inquiries, and have never received the first set of interrogatories. However, in light of the fact that the only facilities that our company has in Kentucky is one empty conduit that is not in use and which is not planned for use in the near future, our responses seem unlikely to be important to the inquiry of the Kentucky Public Service Commission.
