Re: Review of Federal Communications Commission's  
Triennial Review Order Regarding Unbundling  
Requirements for Individual Network Elements  
PSC 2003-00379

Dear Ms. Chambers:

I, as the attorney representing the Murray Electric System, am enclosing herewith the system's response to your data requests attached to a subpoena duces tecum. The answers to requests 1 and 2 are "none," and following your letter of February 18, 2004, the remaining questions were not answered.

Since the requests have been answered by sworn response, and since there are no materials to be produced pursuant to the data requests, a representative of the Murray Electric System will not appear for deposition on March 1, 2004.

Very truly yours,

  
John A. Gregory, Jr.
