RE: Case No. 2003-00379 – Review of FCC’s Triennial Review Order Regarding Unbundling Requirements For Individual Network Elements

To Whom It May Concern:

Please be advised that Teligent is **not** currently providing facilities-based local exchange or long distance services in the State of Kentucky nor does it lease unbundled network elements (UNEs). Moreover, Teligent does not own any switches or wire-centers and does not have access line data to report. Teligent merely resells service of an underlying carrier. As such, Teligent has no relevant information to report to the Commission in response to the above-referenced Case Number.

Should you have any questions regarding this matter, please feel free to contact the undersigned at 703.326.4496 or <mailto:jennifer.martin@teligent.com>.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Martin', with a long horizontal line extending to the right.
