13. DISCONTINUANCE OF WATER SERVICE (Cont'd)

- (F) In cases where plumbing has been installed prior to adoption of and not in accordance with these Rules, and water is being taken through a single service line to supply two or more premises, the party making application shall be responsible for all water bills and other legitimate charges. Any violation of the Rules of the Company with reference to either or any of the said premises or for the supply of water thereto, shall be deemed a violation as to all, and the Company may enforce compliance with these Rules by shutting off the entire service; except that such action will not be taken until the Customer who is not in violation of the Company's Rules, has been given a reasonable notice and opportunity to attach his/her pipes to a separately controlled curb stop cock or coppersetter to be provided by and at the expense of the Company.

14. RENEWAL OF WATER SERVICE AFTER DISCONTINUANCE

- (A) When water service to a premises has been terminated for any reason, other than for temporary vacancy in accordance with Rule 15, it will be renewed only upon the acceptance of a new application and after the conditions, circumstances or practices which caused the water service to be discontinued are corrected to the satisfaction of the Company, and upon payment of all charges due and payable by the Customer in accordance with the Company's Rates, Rules and Regulations.
- (B) Water will not be turned on to any premises unless there is at least one adult person therein at such time to see that all water outlets in the premises are closed to prevent damage by escaping water.
- (C) No Customer whose service has been turned off shall turn same on, or have same done by anyone other than the Company. Any violation of this rule may result in prosecution by law and result in discontinuance of water service.

15. TURN-ON CHARGE

- (A) When it has been necessary to discontinue water service to any premises because of temporary vacancy, a violation of the Rules and Regulations, or on account of non-payment of any bill, a minimum charge of Twenty-Two Dollars and Fifty Cents (\$22.50) will be made to partly cover the expense of turning on water, except that the charge for any service turned on at the request of a Customer after regular hours or on a Saturday, Sunday, or holiday, will be the actual cost incurred by the Company. Water service may be disconnected after ten (10) days written notice to the customer of record for the following reasons:

10-BENT NOTICE  
day letters  
issued after  
the date

NO CALL MID-  
WEEK PRIOR TO  
DISCONNECT DATE

1. For willful or indifferent waste of water due to any cause.
2. For failure to protect and maintain the service pipe or fixtures on the property of the customer in a condition satisfactory to the Company.
3. For non-payment of any account 10 days past due for water service or for any fee or charge accruing under these rules and regulations and the effective schedule of rates, except that the residential service of a customer shall not be terminated for non-payment of basic non-residential services.
4. For any violation of any rule or regulation of the Company.

(A) The following reasons are cause for immediate discontinuance of water services.

1. For molesting or tampering by the Customer, or other with the knowledge of the customer, with any meters, connection, service pipe, meter cock, seal or any other appliance of the Company controlling or regulating the Customer's water supply service.
2. For failure to provide the Company's employees free and reasonable access to the premises supplied, or for obstructing the way of ingress to the meter or other appliance of the Company controlling or regulating the customer's water supply service.

THE COLLECTION  
AGENCY

(B) Discontinuing the supply of water service to a premises for any reason shall not prevent the company from pursuing any lawful remedy by action of law or otherwise for the collection of monies due from the customer.

(C) When water service to a Customer has been terminated for any of the above reasons, other than temporary vacancy of the premises, it will be reviewed only after the conditions, circumstances, or practices which caused the water service to be discontinued are corrected to the satisfaction of the Company, and payment of all charges due and payable by the customer in accordance with these rules, and regulations and the effective schedule of rates.
