RE: Case No. 2004-00383 - Application to Amend Service Territory at Woodland Industrial Park

Dear Ms. O'Donnell,

Clark Energy is submitting an Application to amend the territorial boundary with Kentucky Utilities (KU) at the Woodland Industrial Park in Mt. Sterling, KY. KU and Clark Energy agree on the proposed territorial boundary amendment. The Application and all supporting documentation is being filed using the procedures and guidelines of the Commission's electronic filing process. Per Clark Energy's letter of September 22, 2004 providing the Commission advance notification of an electronic filing, all large size map documents will be submitted on a CD-ROM. Similarly, this CD-ROM will be delivered at the same time all original paper documents are filed with the Commission.

Commission staff has already assigned our Application to Case No. 2004-00383 and assigned Clark Energy a user ID and password to facilitate filing. The Application and all supporting materials filed electronically in connection with Case No. 2004-00383 are a true, accurate, and complete representation of the original documents. The Commission is being notified of Clark Energy's filing by e-mailing this transmittal letter under filename "Read1st\_100104.pdf" to [pscfileing@mail.state.ky.us](mailto:pscfileing@mail.state.ky.us).

Please contact Shannon Messer, System Engineer ([smesser@clarkenergy.com](mailto:smesser@clarkenergy.com)) at Clark Energy should you have any questions or need additional information.

Respectfully,

A handwritten signature in black ink, appearing to read "Overt L. Carroll".

Overt L. Carroll  
President & CEO
