Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth Telecommunications, Inc. Pursuant to the Telecommunications Act of 1996
PSC 2001-00105

Petition of BellSouth Telecommunications, Inc. for the Establishment of a New Performance Plan
PSC 2004-00391

Dear Ms. O'Donnell:

Consistent with Appendix F of the Service Quality Measurements Plan adopted by this Commission on August 31, 2005, BellSouth Telecommunications, Inc. ("BellSouth") is filing a Proposed Notification Report for the March 2006 data month. There are no changes to be placed on the Preliminary April 2006 Data Notification List. These changes will be discussed at the February 7, 2006, industry conference call.

Upon completion of Encore Release 20.0, which was implemented on November 6, 2005, it was determined that all Electronic Loop Make-Up ("LMU") transactions were no longer being identified. Data that was used to correctly identify LMU transactions had changed, and the code had to be modified to accommodate this change. BellSouth corrected this issue with the December 2005 data month.

The attached certificate of service certifies that this filing was filed electronically today and a copy of the Read1st document has been served by email on parties of record. Parties of record can access the information at the Commission's Electronic Filing Center located at <http://psc.ky.gov/efs/efsmain.aspx>.

Very truly yours,

Dorothy J. Chambers
