Effective June 1, 2008, the Electronic Communications Trouble Administration (ECTA) and the Circuit Provisioning Status System - Trouble Administration (CPSS-TA) will be retired.

The replacement system, WHSL eRepair, includes a Graphical User Interface (GUI) and industry standard tML eBonding interface and was implemented on November 1, 2007. It was announced in Carrier Notification Letter SN91087018, issued January 30, 2007, and **CLECSES07-015** issued September 15, 2007.

Should any modifications be made to the information contained in this letter, these modifications will be reflected in a subsequent letter. AT&T Southeast Region will incur no liability to CLECs in the event of such modifications.
