MOTION FOR EXTENSION OF TIME

The Competitive Carriers of the South, Inc. (CompSouth), through its undersigned counsel, requests a one week extension of time to file its reply in support of its Objection to BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky's (AT&T-KY) declaration of a Force Majeure Event related to an incident in its St. Louis data center occurring on December 6, 2008. As grounds for this motion, CompSouth and representatives of AT&T-KY were scheduled to meet on April 3, 2009 to discuss the incident and CompSouth's objections filed in Kentucky and other Southeastern states. Under the Commission's March 11 procedural schedule, CompSouth's reply was to be filed on April 3. In light of the scheduled discussions and the possibility of settlement, CompSouth requests a brief extension. This request is not made for the purpose of delay. Counsel for AT&T Kentucky has stated that AT&T Kentucky agrees with CompSouth's request for a one week extension.

Respectfully submitted,
