**RE: PSC Case No: 2004-00391
Petition of BellSouth for New Performance Plan**

Dear Ms. O'Donnell:

On November 10, 2004, the Commission issued an Order that established the procedural schedule for the above referenced case. SouthEast is opposed to the new performance plan being proposed by BellSouth. At this time, SouthEast would like to notify the Commission that the company will be filing Recommendations in the PSC Case No. 2004-00391, through our counsel Jonathon Amlung. SouthEast would appreciate being advised of any further procedural matters in this docket.

Thank you for your assistance.

Sincerely,

Liz Thacker
