Re: KPSC Case No. 2004-00427

Dear Ms. O'Donnell:

The Commission's Order of March 10, 2005, requires the parties in the above referenced docket to apprise the Commission in writing of the status of their negotiations regarding contractual language to amend their existing interconnection agreements to implement the FCC's Triennial Review Remand Order.

Navigator Telecommunications, LLC. and BellSouth have entered into a commercial agreement for the provisioning of wholesale services, and are therefore not negotiating amendments to the existing interconnection agreement. Navigator and BellSouth are engaged in negotiations, however, for a successor interconnection agreement.

Please contact me if I can provide any additional information on this matter.

Sincerely,

Michael McAlister
General Counsel
Navigator Telecommunications, LLC.
