Re: Case No. 2004-00427 -- Petition of BellSouth Telecommunications, Inc. to Establish Generic Docket to Consider Amendments to Interconnection Agreements Resulting from Changes of Law.

Dear Ms. O'Donnell,

By Order dated March 10, 2005, the Commission directed the parties in this docket to inform it in writing by April 15, 2005, of the status of their negotiations as a result of Federal Communications Commission's (FCC's) issuance of the Triennial Review Remand Order (TRRO). Accordingly, undersigned local counsel for MCImetro Access Transmission Services, LLC ("MCI") provides this response.

On March 14, 2005, BellSouth sent a letter to MCI requesting negotiations for changes of law related to the TRRO. MCI replied to BellSouth by letter dated March 22, 2005. MCI and BellSouth are within the 90-day period established by their interconnection agreement for negotiating changes of law, and at this time, negotiations have not been completed.

Sincerely yours,

Douglas F. Brent
