Re: Case No. 2005-00152

Dear Ms. O'Donnell:

The Illinois Municipal Electric Agency (IMEA) and the Indiana Municipal Power Agency (IMPA), collectively the Joint Applicants, give notice pursuant to 807 KAR 5:110(9) that the following notice has been delivered to the Trimble Banner newspaper for publication of the week of September 14, 2005. Upon receipt of the affidavit of publication, it will be filed with the Board.

NOTICE OF EVIDENTIARY HEARING
Kentucky Board on Electric Generation and Siting

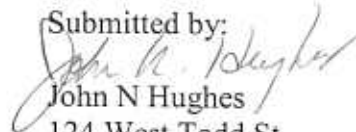

The Illinois Municipal Electric Agency and Indiana Municipal Power Agency give notice that the Kentucky Board on Electric Generation and Siting will hold a hearing on September 19, 2005 beginning at 9:30 a.m. EDT at its office located at 211 Sower Blvd., Frankfort, KY 40601 for the purpose of cross examination of witnesses by interveners on the application of the Illinois Municipal Electric Agency and Indiana Municipal Power Agency to construct a merchant electric generating facility. The Case Number is 2005-00152. The Board can be reached at the offices of the Public Service Commission, 211 Sower Blvd., Frankfort, KY 40601, (502) 564-3940. Public comments will be allowed during the first half hour of the hearing.

The Joint Applicants also give notice pursuant to 807 KAR 5:110(6)(2) and (3) that they will present the testimony of their expert witness, Paul Coomes, PhD., whose prepared testimony has previously been filed. Dr. Coomes will testify about the economic benefits related to the construction and operation of the proposed Trimble Generating Plant.

The Joint Applicants will also present the testimony of L. Gayle Mayo and Robert W. Childers. Each has previously filed testimony. These witnesses will describe the project proposed by the Joint Applicants and the compliance of the project with the criteria for approval set forth in KRS 278.710.

Additionally, the Joint Applicants will have available to testify, if necessary, representatives of the Louisville Gas and Electric Company and Kentucky Utilities Company to address any issues raised by the parties that may be pertinent to the construction and operation of the proposed project.
